## COMMUNITY MATTERS -Autumn 2018

### British Heart Foundation

Maidstone Lions and Tesco staff were out in force to raise £705 for the British Heart Foundation. We would like to thank the public for their generosity.

### Publicity

Lions Derek Marion and Geoff at the Chequers Mall talking to shoppers about Maidstone Lions Club. If you would like information about our Lions Club, why not give us a call or email us. See details below.

### Belarus

Lions Paul, Chris and Malcolm visit Gomel City in Belarus. The second largest city in the country. They visited two orphanages, a home for elderly disabled people and two kindergartens. School 99 for children with speech problems and School 15 for profoundly deaf children where the children are expected to learn and speak without the aid of any hearing equipment due to the high cost of these aids which their government will not fund! These are the children in the school 15 aged 3. Parents of school children are expected to fund school equipment and materials. This is very difficult in these schools and impossible in orphanages where they have no parents! Lions in South East England are trying to help these schools

Each year Maidstone Lions Club usually donate over £20000 to charitable causes.
